

AIRSTREAM

Welcome to the good life

FACILITIES

- The Airstream trailers come equipped with an electrical system that provides 120-volt AC power.
- There is a freshwater tank hooked up into Dundee Hills Resort renewable water supply, so you don't have to worry about running out of water!
- Please be sure to use the toilet paper provided and use waste bin for all other items, including wipes, floss, Qtips, and tampons.
- Additionally, the Airstream trailers are equipped with a furnace and air conditioning system to keep you comfortable year-round.
- The thermostat is located in the back bedroom and is to be used on "heat pump mode" for spring and summer. If the temperature is below 40 degrees outside, zone 2 may be switched to "furnace", which runs off propane.
- You can adjust the hot water heater in the bathroom, there is a small display on the right side of the sink. Please make sure the switch is on (ON THE CORRECT SETTING).

Please let the front office know about anything that broke or did not work properly prior to or at check out.

ADDITIONAL RULES

- Sorry, no children or pets allowed in the Airstreams.
- We kindly ask that you do not use the stovetop, oven, and awning.
- Smoking is not allowed in the Airstreams or any other building on the property.
- Please try to keep rocks and dust outside of the trailer as much as possible.

ENJOY YOUR STAY

The Airstream trailers are designed to provide a comfortable and luxury camping experience. Relax and enjoy your time in this unique and stylish trailer!
